STAPAR is

a leading manufacturer of household, automotive and swimming pool chemicals. Our main goal is to realise our customers' visions for the range we produce. Aiming to meet the needs of our customers, we create our own brands for them. STAPAR's key customers are retail chains, wholesalers and distributors.

A separate department at STAPAR is the import of articles from China and their distribution. The year 2019. for the company is special because of the 10th anniversary of the company. For 12 years we have improved our production technology to be able to guarantee our customers high quality at competitive prices.

WE ARE OPEN AND READY TO MEET ANY CHALLENGE.

We invite companies from Poland and abroad to cooperate with us. We are committed to building long-term business relationships with mutual benefits.

CAR

A photograph of a laundry room. In the center, a white front-loading washing machine is stacked on top of a white front-loading dryer. To the left, a wooden cabinet with a louvered door is open, revealing shelves with folded white towels and a glass. To the right, a person's hand is visible, holding a white spray bottle. In the foreground, a blue plastic basket contains various cleaning supplies, including a white brush with a pink handle, a yellow sponge, and a green cloth. The text 'HOME' is overlaid in large, white, sans-serif capital letters across the middle of the image, and 'COSMETICS' is overlaid in the same style across the bottom. The entire image has a dark, semi-transparent overlay.
